Arcane’s experience spans hospitality, residential, commercial and public-sector environments. Engineering discipline and detailed quality inspection support the work.

Three specialist disciplines

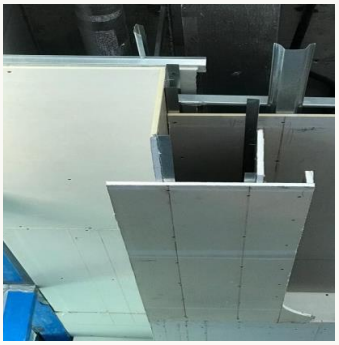

Specialist packages coordinated around the complete interior.

01

Sculptural GRG

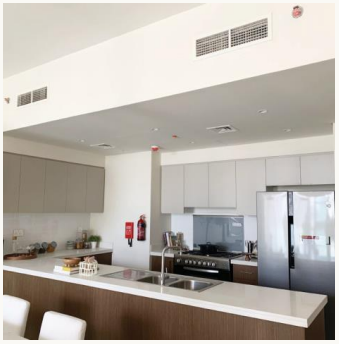

Precision casting, curved surfaces, decorative columns, mouldings and architectural wall panels.

02

Ceilings & partitions

Gypsum, metal and acoustic ceilings. Cement board, glass and composite partition systems.

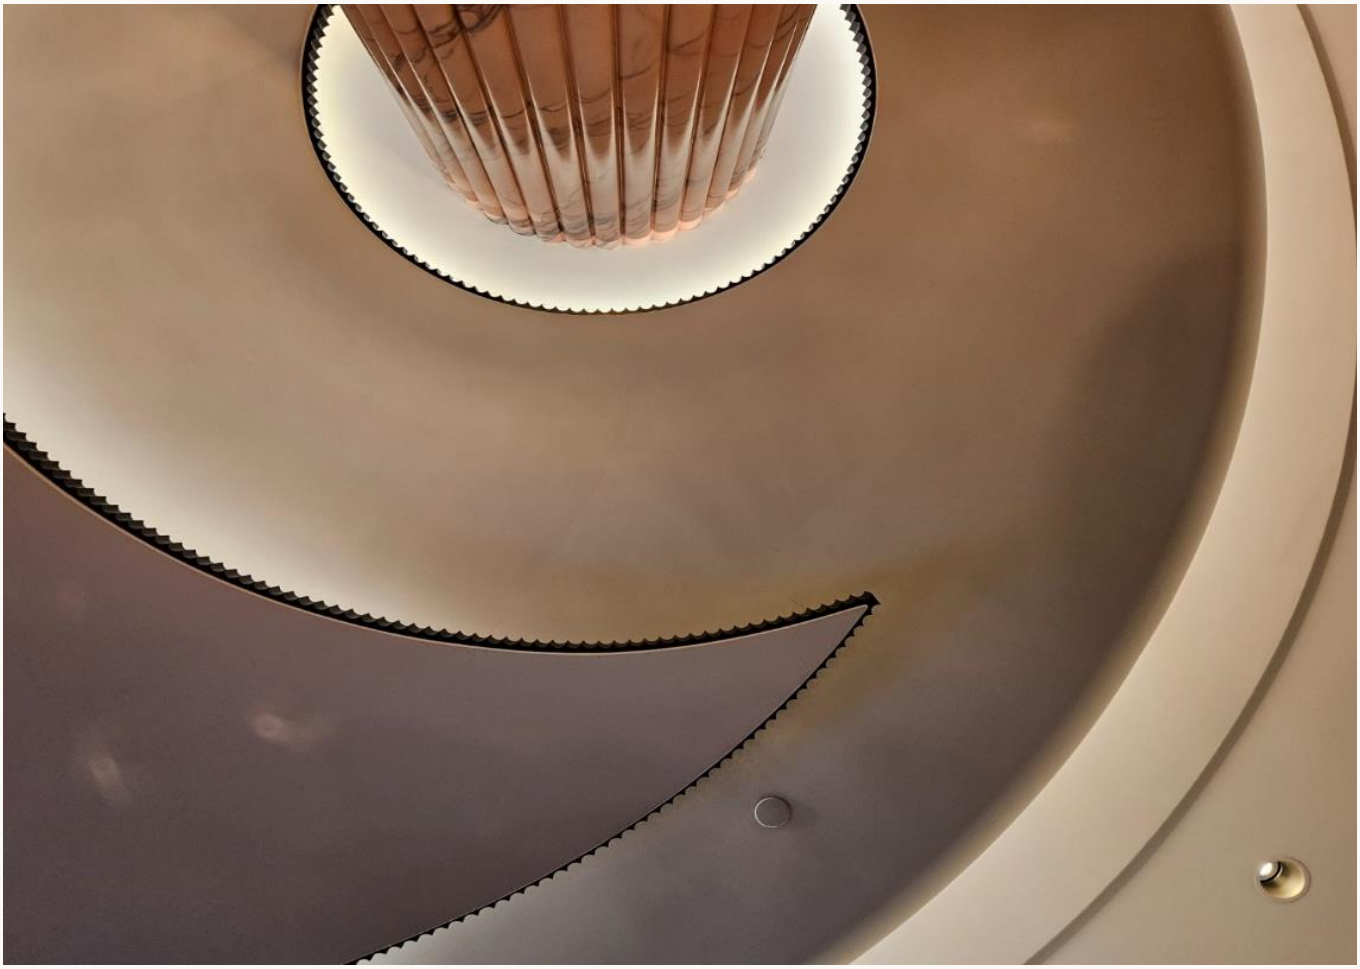

03

Interior fit-out

Joinery, wood cladding, wall coverings, raised floors, wood and vinyl flooring, and carpets.

Architectural form and detail

Glass Reinforced Gypsum

Craftsmanship shaped around the design

Traditional plaster casting meets modern 3D mould development, precision casting and on-site assembly.

SPECIALIST CRAFTSMANSHIP

Moroccan craft expertise supports complex architectural forms.

ARCHITECTURAL APPLICATIONS
